

January 2022 Newsletter

I hope that each of you enjoyed a restful and restorative break filled with special moments with your friends and family. I am so grateful to have all my kids home where we shared Tik Toks, took in a foster dog, and caught up on Yellowstone and Cobra Kai marathons while wrapped up on the couch. Not to worry I also added some paint to the studios, picked out recital music and lesson planned. I missed the laughter, hugs, sweaty smells of your dancers and I cannot wait to start dancing again.

- Lisa Stay

When at ELevate Dance:

Sanitize your hands when you enter the classroom.

Respect each other boundaries and when close to each other wear your masks.

Stay home if you have Covid 19 symptoms, test positive, or are in close contact with someone who tested positive.

Paper masks are available for \$1 at the front desk if you forget yours or your dancer can purchase a ELD mask for \$7. Masks will be put on parents accounts if they requested.

ELD will continue to wipe down all dance barres after each class use, spray sanitizing spray on all shared class items, wipe down all mats and urge dancers to use sanitizer before and after contact with each other.

Baby It's Cold Outside!

It's coat and boot season! Please be sure to leave your coats, boots, and bags safely distanced outside the studio in the waiting rooms on the hooks or in the cubbies. Hip-Hop dancers **MUST** bring a clean dry pair of shoes to dance in. If you come in to dance with street shoes you will be asked to remove your shoes prior to entering the studio.

WAITING ROOM

- * Dancers should not enter the dance studios until an instructor arrives and they invite them in.
- * Please have your dancer visit the restroom before class.
- * Do not disrupt class to correct or discipline your child. For younger dancers our teachers use stickers, stamps, or suckers to help with class participation. If behavior is an issue in class, the teacher will look for new ways to motivate your dancer.
- * Please know that our teachers are usually on a tight teaching schedule with very little time between classes. If you need to speak with your dancer's teacher, you can always leave a message at the front desk for them to contact you. We believe in working together to create the best environment for our dancers, so please always feel free to reach out.
- * Please supervise siblings while your dancer is in class. Siblings should not be climbing, running around, hiding in the curtains, playing tag, or running in waiting areas.

We have times available for studio rental and private lessons. These can be used for a group, practice dances before the recital, or choreograph a student dance for the recital. We also have availability for private and semi private lessons if you would like to do another dance for the recital. Studio rentals are \$20 per 1/2 hour/per dancer and Private lessons are \$30 a hour.

2022 RECITAL INFO
